

(B) Standards and procedures with respect to awarding academic credit and certifying educational attainment in programs conducted under such part shall be consistent with the requirements of applicable State and local law, including regulation.

(10) No funds available under this chapter may be used for public service employment except as specifically authorized under this chapter.

(11) The Federal requirements governing the chapter, use, and disposition of real property, equipment, and supplies purchased with funds provided under this chapter shall be the Federal requirements generally applicable to Federal grants to States and local governments.

(12) Nothing in this chapter shall be construed to provide an individual with an entitlement to a service under this chapter.

(13) Services, facilities, or equipment funded under this chapter may be used, as appropriate, on a fee-for-service basis, by employers in a local area in order to provide employment and training activities to incumbent workers—

(A) when such services, facilities, or equipment are not in use for the provision of services for eligible participants under this chapter;

(B) if such use for incumbent workers would not have an adverse affect¹ on the provision of services to eligible participants under this chapter; and

(C) if the income derived from such fees is used to carry out the programs authorized under this chapter.
